

Notice: Lord Hanuman has made two major declarations on Ratha Saptami

26th January 2015 was Ratha Saptami day. On that day, Sakshat Hanuman Pooja was attended by Bhagwan Surya Narayan (The Sun). He came on His beautiful Ratha (chariot). In the conversations which took place between Setu masters, the attendants and Gods, two very important things were told by Lord Hanuman.

(1) Lord Hanuman told, "When I return back from the Sun, I take my giant form. I can cover the entire Sun with one step when I assume my giant form. In 107 steps I reach near Earth. Then I decrease my size a bit to take the 108th step. Thus I reach the earth in 108 steps."

Explanation: Lord Hanuman has the ability to assume any size He wants. When He is in His largest form, His one step is equal to the diameter of sun (1391684 kms). It takes 107 full steps and 1 smaller step for Him to cover the distance between Sun and Earth. That means He takes 108 steps to come from the Sun to the earth. (What Lord Hanuman told is also accurate as per calculations of western science because distance between sun and earth is approximately equal to 108 times the diameter of sun)

(2) Lord Hanuman said, "My Lord is coming and you are sitting in your homes with your doors and windows shut! Open your windows, open your doors. I give you a promise. When you open your windows and doors, I will fulfill your wishes, I will remove your sorrows, I will end your misery."

Explanation: Here Lord Hanuman is giving an indication that Lord Vishnu's last avatar is coming. He is saying that human beings have shut doors and windows of their souls with ignorance. Lord Hanuman has revealed His Leelas in the jungle so that devotees can read those Leelas and open the doors and windows of their souls which are shut out of ignorance. The chapters of Lord Hanuman's Leelas being published here will help the devotees to remove the rust of ignorance from doors and windows of their souls. It is the promise of Lord Hanuman, "You remove your ignorance and I will fulfill all your wishes and end all your miseries."
